Dear Youth Accord Participants,

The Youth Accord on Biodiversity, the result of your collaborative efforts, demonstrates your commitment for the protection and conservation of the environment, and raising awareness on the importance of caring for the variety of life that sustains us all. Your energy and enthusiasm are an inspiration to us all, as we seek to protect life on Earth. You have assumed the roles of dedicated environmentalists and agents of change, and I believe that together we can and will make a difference.

As head of the Secretariat of the Convention on Biological Diversity (CBD), I feel a personal obligation to nurture the seeds for creating a more viable sustainable future, and to continue to inspire new generations of environmental stewards such as you.

In keeping with the spirit of the Convention, I would like to wish you continued success in your mission of preserving our world's biological treasures and in ensuring a sustainable future for the next generations.

Yours sincerely,

Ahmed Djoghla
Executive Secretary
