The N.H.I.A.A. requirements are as follows:

A COMPLETE LIST OF NHIAA AND SOUHEGAN REQUIREMENTS ARE AVAILABLE IN THE ATHLETIC HANDBOOK.

1. AGE OF CONTESTANTS

A student who has reached the age of 19 on or after September 1 may represent the school in any interscholastic athletic contest during the school year.

2. POST GRADUATES AND EDUCATIONALLY HANDICAPPED

No post graduate shall represent the high school in interscholastic athletics. A post graduate is one who has completed Grade 12.

Students receiving service under I.D.E.A., 89:313, RSA 186:C and related State Board of Education regulations may be declared academically eligible by their Principal provided that all other eligibility requirements are met.

3. SCHOLASTIC STANDING

No pupil who has failed to pass four units of work during the previous grading period shall represent the school in any interscholastic contest. A minimum of four units of work per grading period is required for participation in interscholastic athletics.

SUMMER SCHOOL

A student athlete may not regain eligibility by making up academic deficiencies or failures of the regular school year during the summer months.

INCOMPLETES:

Incompletes are not to be considered passing grades for the purposes of eligibility.

4. MEDICAL STATEMENT

Students shall be ineligible to participate in interscholastic athletics (practices or games) unless there is on file in the school a medical statement provided by a physician (within the meaning of N.H. RSA 329) certifying the student has passed a pre-participation physical examination prior to the beginning of the student athlete's high school career.
