

***IMPORTANT NOTICE FOR AP FRENCH & SPANISH STUDENTS
FOR 2007-2008***

All students who are enrolled in Advanced Placement French or Advanced Placement Spanish for the 2007-2008 academic year are expected to attend an ***orientation session*** this spring to learn about course expectations, AP rubrics, and to receive summer assignments.

There will be two meeting dates offered for your convenience: Monday, 11 June and Tuesday 12 June, in room A122 at 2:15 pm. Both AP French and AP Spanish will be addressed at both meetings, so you may attend either meeting. Each meeting will last approximately 30 minutes.

Any student enrolled in either of these courses who is unable to make one of these meetings **MUST** meet with the instructor, Marcia Arndt, no later than Friday, 15 June 2007. Summer assignments will be posted on line, but it is necessary to speak with the instructor for other information and materials.
