

Yearbook 2007
Senior Parent Ad Form

This section of the yearbook is simply the best! It is the section most students immediately turn to when they first pick up their books. It always brings a laugh, a tear, a smile...and we know you will want to be a part of this section. This is your opportunity to put in that adorable picture(s) of your son or daughter...or that hysterical photo you have threatened to show the world! Many parents make this a complete surprise for their graduate. Students working on the yearbook do not even see the ads prior to the book being handed out.

If you wish to place a Parent Ad in the Yearbook please follow these directions:

1. Choose an ad size
2. Select your photo(s)...**DO NOT CUT YOUR PHOTOS!** If only a part of a photo is to be used, indicate that to us with post-its positioned around the part of the photo you want published.
3. Select or write a message to your graduate **ON A SEPARATE PIECE OF PAPER.** (Please do not write on the back of your pictures, as it might leave indentation marks)
4. You may sketch out your design or leave it to us to layout. In some cases changes to your design i.e. fonts, alignment etc. may be necessary.
5. Include a self-addressed stamped envelope to insure return of your pictures.
6. Complete this form; include your check, pictures, message, envelope, layout and mail or drop it off at the high school main office by **October 13th**.
